

Oct. 23rd: 5:00pm – 9:00pm

Georgia State University

Georgia State University
Student Branch of IEEE

appLab.Win8()

Classroom South Room 100: 95 Decatur St SE, Atlanta, GA 30303

Sponsored by Microsoft Developer & Platform Evangelism

Food and Drinks will be provided - Lots of exciting prizes to be won

Sign up for a
Windows 8
Developer
Camp
today

Students will need to bring laptops running
Windows 8 RTM or a Mac running Windows 8
RTM (Bootcamp partition)
and Register to obtain links for software needed

Join us for this **appLab** designed to share knowledge
you need to start building Metro-style applications for
Windows 8 – today.

We'll begin by showing you how to use
Visual Studio 2012 to
code Window Store applications
in XAML/C#.

This **Windows 8 hands-on lab** session is perfect
opportunity to get your dream application underway,
or finish that app you've already started
– with Microsoft resources for **Windows 8**
to guide you through every step.
