

Ignite with Tech Diversity & Inclusion Forum

This two-and-a-half day forum offers students a unique insight into how they can use their computer science or computer engineering degree to make a global impact and real technology innovations that can impact customers, clients and communities.

Program details:

Dates: April 1-3, 2019

Location: Charlotte, NC

To apply:

The application deadline for all programs is February 3 at 11:55 p.m. Eastern. While student applications are limited to **one** Spring Diversity & Inclusion Forum, we will consider applicants for all forums based on capacity.

There are two steps in the selection process:

- Online application, with resume submission at go.bofa.com/IgniteWithTechCLT
- First Round Video interview

Travel and hotel accommodations will be provided for students selected to attend.
