

Making an impact isn't something reserved for people in corner offices. At Worldpay, it comes from people in every corner of the office. People with ambition, optimism and courage who see growth and opportunity for our company as much as they do for themselves. Our goal is that you never stop learning and you never cease to amaze, especially yourself.

Why Worldpay?

Formally known as Vantiv, Worldpay is a leading payments technology company with unique capability to power global integrated omni-commerce. With industry-leading scale and an unmatched integrated technology platform, Worldpay offers clients a comprehensive suite of products and services globally, delivered through a single provider. Worldpay processes over 40 billion transactions annually through more than 300 payment types across 146 countries and 126 currencies. Formally known as Vantiv, Inc, Worldpay, Inc. was formed in 2018 through the combination of the #1 merchant acquirers in the U.S. and the U.K.

Internship opportunities

Worldpay's Internship Program is a meaningful learning experience in which academic, professional, and personal development is promoted. As an intern with Worldpay, you will develop objective goals which will be monitored and achieved under the supervision of individuals with expertise in the area of focus.

At Worldpay, we hope to create an impactful experience for participating students, ensuring these internships will build future colleagues and leaders.

Beyond the job description

Interns will meet regularly with their manager to ensure meaningful work and sufficient support is provided.

Every intern will be paired with a mentor, who will assist with the transition into the work place and learning environment. Mentors will also answer general questions about the company and provide their personal perspective around professional growth and development.

Interns will continue to expand their knowledge base through various levels of training and development sessions.

Finally, at Worldpay we value people and have fun! It's not about working hard and having fun. For us, it's about having fun while working hard.
