

Above & Beyond CS (ABCS) Coding Interview Workshop Series

Want to boost your readiness for Facebook technical interviews?

This fall, we're bringing Facebook's ABCS program to a region near you to build a diverse pipeline of future software engineers. You will gain:

Applied practice to master common data structures and algorithms covered in interviews:

- ✓ Time Complexity
- ✓ Arrays and Strings
- ✓ Recursion
- ✓ LinkedLists
- ✓ Stacks and Queues
- ✓ Trees
- ✓ Heaps
- ✓ Hash Tables
- ✓ Graphs

Best practices that will help you build comfort and confidence in a coding at a whiteboard

Challenges and curated practice materials to empower you to drive your own development
