## FAQ TutorOcean Atlanta Campus – Summer 2020 Version 4

• **Chemistry, Biology, Mathematics, and Physics** on-line tutoring in Summer 2010 is FREE in using TutorOcean

• Hardware and software

1. Laptop or desktop is necessary
2. Tablet or phone won't work
3. Chrome or Firefox browser is necessary

• You must create an account at the **GSU** site <https://gsu.tutorocean.com/home>

1. Please use your GSU email address
2. The landing page of the website says, "Perimeter College," but is for all GSU students in Summer 2020
3. "Submit assignments" is for writing help, which is not offered on the Atlanta Campus via TutorOcean in Summer 2020. For writing help, check out <https://writingstudio.gsu.edu/>

• Here is the link to the Student Guide with **screenshots**:

<http://d1qahdsb4j3l6a.cloudfront.net/assets/external/Student+Guide+v1.0.pdf>

• Three types of tutoring sessions are available: Drop-in (yellow), One-to-one (Green), and Group (Purple). You will probably sign up only for Drop-in this summer.

You can see what tutors are available at any time and drop in

1. Must be in-person booking (not scheduled in advance)
2. Only three people can be in a drop-in session at one time
3. When you look for a tutor, check **Downtown STEM Center** (see screenshot) to see tutors hired by the Atlanta campus

• Uploading files

1. You can upload files with questions
2. Must be PDF format

• Working together: A collaborative white board is available – you and the tutor can both draw on the same board or uploaded PDF

• Privacy: Other students in the tutoring room with you can see your name

• **Computer Science** tutoring is also FREE in Summer 2020, but will use a different portal: <http://cstutoring.cs.gsu.edu/>
