## University Teaching for International GTAs/GLAs

TEACHING SUPPORT FOR INTERNATIONAL GRADUATE STUDENTS

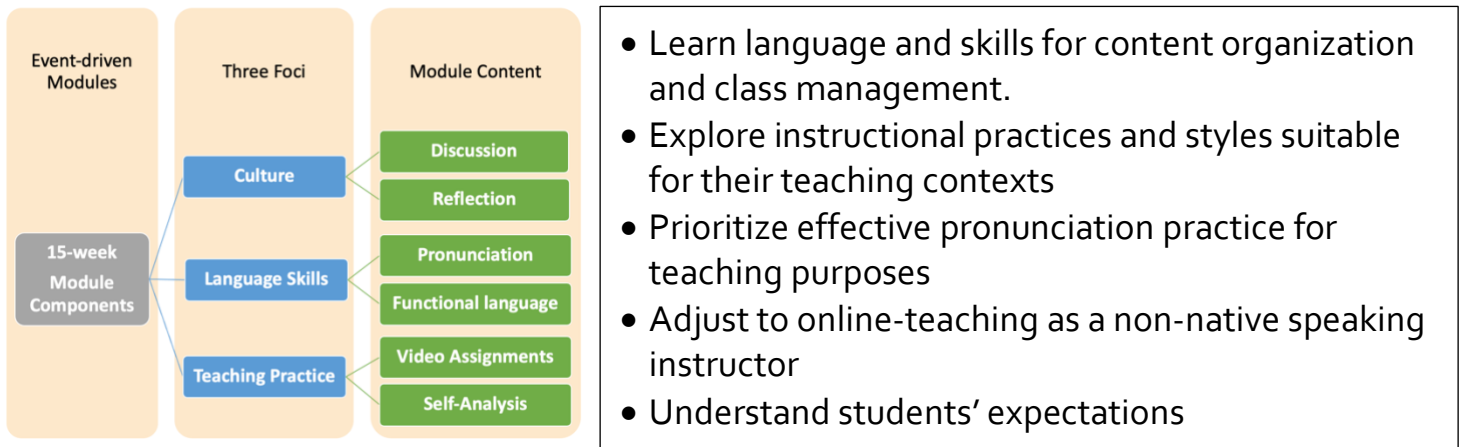

Spring 2022, 3 credit hours, Pass/Fail

Online-Synchronous

Fridays 9:30-12:00

International GTAs/GLAs perform best when they are equipped with sufficient linguistic, cultural, and pedagogical knowledge for their contextualized teaching work environment. A specialized course targeting these skills helps the international GTAs/GLAs to develop unique instructional repertoires that encompass individual communication styles, cultural backgrounds, as well as their unique identities as both teachers and graduate students.

Focusing on both face-to-face and online contexts, this course utilizes a three-dimensional design of 15-week modules for international GTAs/GLAs to:
