

Volunteers Needed for Research Study on Private Artificial Intelligence (AI).

Are you a CS/CIS major student and have knowledge of machine learning?
You may be eligible for a two-hour study session.

You May Qualify If You

- Are 18 or older
 - Can bring your own laptop for the study
 - Have taken courses on Machine Learning and Deep Learning
- Knowledge of Secure and Private AI is a plus but not necessary

Potential Benefits

Participating in this study will help you gain introductory knowledge on Private AI

Participation Involves

- Attending a 2-hour session consisting of a lecture, hands-on experiments, and a survey

Location: GSU Atlanta, 25 Park Place, Suite 700

Date: 25th of June, 2022, 10 am - 12 pm

Participants will be compensated \$40 upon completion of the study.

How to register?

Fill out the following Google form
<https://shorturl.at/swAQT>

Principal Investigator: Dr. Daniel Takabi
